

Proud to be a SaferSalon

Just a few of the things we are doing to keep us all safe

We have our COVID SECURE Policy.

Feel free to ask to see it!

We have carried out a FULL COVID SECURE Risk Assessment.

Feel free to Ask to see it!

All our working tools are disinfected every time... just for you!

Please wash or Sanitise your hands when entering the Salon.

Sorry but no refreshments apart from water in disposable cups.

We all need to wear masks if practical. We may ask for a small charge if you don't bring your own.

Sorry but no books or magazines while waiting...

Please keep the required distance away from everybody where ever practical.

Waiting space is now less. So please leave as soon as your appointment is over to make room for the next clients.

Please let us know if you get any COVID 19 Symptoms up to 7 days after your appointment... we will let you know if we do!

These measures are in place to keep us all safe at this time. They are UK Government & HSE Conditions and we need to ensure we stand by them to remain open and continue to deliver our service to you. We thank you for your understanding and continued support at this time.
